**CLASS DESCRIPTIONS:**

**Anything Goes** - A well-rounded strength workout incorporating a variety of formats and equipment. Each week's workout will be different.

**Aqua II** - These classes incorporate a wide variety of class formats (aerobic to toning), with or without water equipment (resistance cuffs, noodles, etc.) and a range from shallow to deep water.

**Aqua Pilates** - Learn to challenge stability and increase core strength. Pilates principles will be implemented and adapted for the water.

**Barre Fit** - This total body conditioning regimen combines ballet, Pilates, strength and flexibility training using a ballet barre.

**Beginning Yoga** - A beginning yoga class emphasizing breath and postures that promote flexibility, energy, peace and resilience.

**Cardio Chaos** - A fun, intense cardio workout using a variety of styles and techniques.

**Chair Yoga** - Experience the beauty of yoga and meditation while seated and standing with a chair for support.

**Cycle** - This class will offer a great total body workout on upright cycles.

**F.L.Y.** - Functional Living Yoga - Experience the beauty of yoga and meditation while seated and standing with a chair for support.

**FUNctional Flow** - This class will focus on improving balance, agility, coordination, strength and flexibility which will help you function effectively and efficiently throughout each day.

**Hatha Blend** - A unique blend of yoga focusing on strength, flexibility and alignment to create a challenging, but safe practice.

**Med. (Meditation) Yoga** - A beginning Hatha Yoga class that promotes inner peace and balance through breath and meditation.

**Pilates** - Based on the theories of Joseph H. Pilates, this unique stretching and strengthening program will improve your alignment, coordination, strength and flexibility through specific mat work exercises that focus on abdominal control and pelvic stability.

**Pilates Sculpt** - Expands upon beginner Pilates, progresses towards more advanced techniques while incorporating weights, balls and bands.

**PiYo** - Designed to increase flexibility, strength & cardio stamina using a combination of Pilates & yoga poses sped up to music.

**R.I.P.P.E.D** - Resistance, Intervals, Power, Plyometrics, Endurance (modified) - This total body toning and strengthening workout utilizes free weights, resistance and body weight exercises.

**Step Mix Up** - This unique class combines intervals of step and conditioning/toning. Core segments may also be included.

**STRONG** - Stop counting the reps. Start training to the beat. STRONG combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music designed to match every single move.

**T.B.T.** - Total Body Toning - This well-rounded workout will strengthen the muscles of the upper, middle and lower body using various props.

**Turbokick** - This class will have you working through high and moderate intervals of simple kickboxing moves with strength training.

**Vinyasa Flow** - Designed for beginners to intermediate participants. This yoga class can bring more energy to your life, improve concentration, increase strength and balance. In Vinyasa Flow, all movements are connected to a breath.

**W.W.O.** - Weighted WorkOut - The perfect total body strength and muscle-firming workout uses dumbbells, bands, tubing and bars.

**Yogilates** - An exciting new style of yoga that integrates the techniques of Joseph Pilates with Hatha Yoga. Participants will discover how to use their breath, proper alignment and "hidden powerhouse" to achieve greater results.

**Zumba** - An energizing dance class featuring Latin and International music taught by our certified Zumba instructors.
