CLASS DESCRIPTIONS:

Anything Goes - A well-rounded strength workout incorporating a variety of formats and equipment. Each week's workout will be different.

Aqua II - These classes incorporate a wide variety of class formats (aerobic to toning), with or without water equipment (resistance cuffs, noodles, etc.) and a range from shallow to deep water.

Aqua Pilates - Learn to challenge stability and increase core strength. Pilates principles will be implemented and adapted for the water.

Aqua Yoga - This class is designed to relax, stretch and calm. Move through various yoga poses that increase flexibility. All poses will be adapted for the water.

Barre Fit - This total body conditioning regimen combines ballet, Pilates, strength and flexibility training using a ballet barre.

Beginning Yoga - A beginning yoga class emphasizing breath and postures that promote flexibility, energy, peace and resilience.

Chair Yoga - Experience the beauty of yoga and meditation while seated and standing with a chair for support.

Cycle - This class will offer a great total body workout on upright cycles.

FUNCTIONAL FLOW - This class will focus on improving balance, agility, coordination, strength, flexibility and endurance which will help you function effectively and efficiently throughout each day.

Med. (Meditation) Yoga - A beginning Hatha Yoga class that promotes inner peace and balance through breath and meditation.

Pilates - Based on the theories of Joseph H. Pilates, this unique stretching and strengthening program will improve your alignment, coordination, strength and flexibility through specific mat work exercises that focus on abdominal control and pelvic stability.

PiYo - Designed to increase flexibility, strength & cardio stamina using a combo of Pilates & yoga poses sped up to music.

R.I.P.E.D Resistance, Intervals, Power, Plyometrics, Endurance (modified) - This total body toning and strengthening workout utilizes free weights, resistance and body weight exercises.

Step Mix Up - This unique class combines intervals of step and conditioning/toning. Core segments may also be included.

STRONG - Stop counting the reps. Start training to the beat. STRONG combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music designed to match every single move.

T.B.T. - Total Body Toning - This well-rounded workout will strengthen the muscles of the upper, middle and lower body using various props.

W.W.O. - Weighted WorkOut - The perfect total body strength and muscle-firming workout uses dumbbells, bands, tubing and bars.

Yogilates - An exciting new style of yoga that integrates the techniques of Joseph Pilates with Hatha Yoga. Participants will discover how to use their breath, proper alignment and "hidden powerhouse" to achieve greater results.

Zumba - An energizing dance class featuring Latin and International music taught by our certified Zumba instructors.

Class Cancellation Policy - Classes may be cancelled due to one of the following reasons:

- 1. Single class with less than two participants will be determined by Instructor.**
- 2. Classes with less than five participants over a two-month period may be cancelled until further notice.**
