- 

**CLASS DESCRIPTIONS:**

**Anything Goes** - A well-rounded cardio workout incorporating a variety of formats (kickboxing, step and strength). Different class each week.

**Aqua II** - These classes incorporate a wide variety of class formats (aerobic to toning), with or without water equipment (resistance cuffs, noodles, etc.) and a range from shallow to deep water.

**Aqua Pilates** - Learn to challenge stability and increase core strength. Pilates principles will be implemented and adapted for the water.

**Aqua Tone** - Muscle toning workout using noodles, paddles, kick boards and hand buoys as well as the natural resistance provided by the water. This is the perfect place to start an exercise program or for those individuals transitioning from a rehab or therapy program.

**Beginning Yoga** - A beginning yoga class emphasizing breath and postures that promote flexibility, energy, peace and resilience.

**Cardio Chaos** - A fun, intense cardio workout using a variety of styles and techniques.

**Chair Yoga** - Experience the beauty of yoga and meditation while seated and standing with a chair for support.

**Cycle** - This class will offer a great total body workout on upright cycles. (Friday's class will incorporate a free weight section)

**Deep Water** - A GREAT non-impact aerobics class using water equipment such as noodles, buoyancy belts and resistance cuffs. Buoyancy belts provided. No swimming skills required.

**F.L.Y.** - Functional Living Yoga - Experience the beauty of yoga and meditation while seated and standing with a chair for support.

**FUNctional Flow** - This class will focus on improving balance, agility, coordination, strength and flexibility which will help you function effectively and efficiently throughout each day.

**Hatha Blend** - A unique blend of yoga focusing on strength, flexibility and alignment to create a challenging, but safe practice.

**Med. (Meditation) Yoga** - A beginning Hatha Yoga class that promotes inner peace and balance through breath and meditation.

**Pilates** - Based on the theories of Joseph H. Pilates, this unique stretching and strengthening program will improve your alignment, coordination, strength and flexibility through specific mat work exercises that focus on abdominal control and pelvic stability.

**Pilates Sculpt** - Expands upon beginner Pilates, progresses towards more advanced techniques while incorporating weights, balls and bands.

**Power Blend** - A powerful mix of cardio, kickboxing and strength. Suitable for all fitness levels. This total body workout will utilize free weights and body weight exercises.

**Rest. (Restorative) Yoga** - This class uses props and postures to restore and heal the over stressed, distracted body/mind as well as breath and body work to open areas such as the back, hips and shoulders while reducing stress and promoting healing.

**R.I.P.P.E.D** - Resistance, Intervals, Power, Plyometrics, Endurance (modified) - This total body toning and strengthening workout utilizes free weights, resistance and body weight exercises.

**Step Mix Up** - This unique class combines intervals of step and conditioning/toning. Core segments may also be included.

**STRONG** - Stop counting the reps. Start training to the beat. STRONG combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music designed to match every single move.

**T.B.C.** - Total Barre Conditioning - This class incorporates cardio and core work with strength and toning of Barre fitness.

**T.B.T.** - Total Body Toning - This well-rounded workout will strengthen the muscles of the upper, middle and lower body using various props.

**Tone & Balance** - This class will feature a variety of exercises designed to increase strength, range of movement, balance, posture and core stability. Barre work may be incorporated.

**Treadmill Trek (Trekking)** - Trekking is a treadmill-based cardio training class appropriate for both runners and walkers. It alternates between exciting speed and hill work interspersed with recovery periods.

**Vinyasa Flow** - Designed for beginners to intermediate participants. This yoga class can bring more energy to your life; improve concentration, increase strength and balance. In Vinyasa Flow, all movements are connected to a breath.

**W.W.O.** - Weighted WorkOut - The perfect total body strength and muscle-firming workout uses dumbbells, bands, tubing and bars.

**Yogilates** - An exciting new style of yoga that integrates the techniques of Joseph Pilates with Hatha Yoga. Participants will discover how to use their breath, proper alignment and "hidden powerhouse" to achieve greater results.

**Zumba** - An energizing dance class featuring Latin and International music taught by our certified Zumba instructors.
