

5 Reasons to Choose Personal Training

Personalized Fitness Plan – Tailored workouts based on your goals, fitness level and medical considerations.

Expert Guidance – Certified trainers with specialized knowledge in fitness, anatomy and exercise science.

Maximized Results – With proper technique and consistency, you achieve results faster and more efficiently.

Accountability & Motivation – A trainer keeps you on track, helps you push through mental barriers and ensures consistency.

Variety & Fun – Working out with a personal trainer keeps exercise interesting and engaging.

OUR PERSONAL TRAINING PROGRAMS

One-on-One or Partner Personal Training – Individualized or partner sessions are offered with a trainer who is focused on your unique goals.

Results Oriented – Our trainers provide science-based program design, motivation, accountability and goal achievements.

Specialty Training Available – Specialized personal training is available in the following areas:

- Athletics/Sports Specific
- Golf
- Kettlebells
- Pilates
- Strength
- TRX® Suspension Training
- Water Exercise
- Weight Loss

WHY CHOOSE FITNESS POINTE FOR PERSONAL TRAINING?

Medical Fitness Focus – Our personal training program combines expertly designed fitness plans with the oversight of our medical advisory committee. This ensures a safe, effective, personalized approach to achieving your fitness and wellness goals.

Certified Trainers – Our trainers have bachelor's degrees and/or are certified in various specialty areas.

National Certifying Agencies include:

- **ACE** – American Council on Exercise
- **ACSM** – American College of Sports Medicine
- **AFAA** – Aerobic and Fitness Association of America
- **ISSA** – International Sports Science Association
- **NSCA** – National Strength and Conditioning Association
- **NASM** – National Academy of Sports Medicine

Holistic Approach – We emphasize a well-rounded approach to health, incorporating fitness, wellness and lifestyle coaching.
